

President's Report  
May 16, 2016

Hello everyone,

I am excited to get another year of ASWSU Global underway and as president I vow to help out in every way possible. If there is anything I can do throughout the year to help make improvements to your time while enrolled at Washington State University please make contact with me so that I can work on helping immediately.

There are a number of great initiatives and events taking place during the coming school year so please check the calendar often in order to partake and maximize your experience.

I will hold office hours this year on Thursdays from 7pm until 9pm. Please feel free to stop by and make contact.

We look forward to a productive summer

Thank you,

Dennis Moton II
